The Chanler at Cliff Walk | Newport, RI

The Chanler at Cliff Walk is the ultimate spring getaway as temperatures start to warm. An intimate hotel at the start of Newport's famous cliff walk with stunning views of the sea, The Chanler is a popular hideout for guests looking for serene, sea-side beauty. The Chanler is the only hotel on the cliff walk and features 20 uniquely-designed guest rooms, each boasting its own fireplace. Enjoy an intimate dinner for two at The Chanler's elegant restaurant, Cara, while you look out over the Atlantic Ocean and sip signature wine. After dinner guests can return to their rooms and luxuriate with an Aromatherapy bath. For guests looking to explore Newport, the town blooms in the spring with festivals and Daffodil Days – the arrival of over 1,200,000 bright yellow daffodils throughout the area with decorated store windows heralding their arrival.
