

BATH AMENITIES

Established in Barcelona in 1979, Natura Bissé is a prestigious Spanish skincare brand committed to crafting top-tier skincare solutions with innovative techniques and premium ingredients. Notably, it holds the distinction of being the exclusive "Official Skincare Brand" recognized by Forbes Travel Guide.

THE RHODE TO AGELESS BEAUTY

When considering prospective partners for our in-room bath amenities, we admired Natura Bissé's focus on wellness and social responsibility.

Their partnership with cancer foundations and development of specialized formulas for patients underscore their dedication to corporate responsibility and family values. Their pledge to make radiant skin achievable at all life stages is both commendable and resonates seamlessly with our family-centric values.

Replenished in room daily.
