Like Cape Cod, Newport is best known for being a beloved summer vacation destination. Yet somehow, the oceanfront city is even more magical in the winter, when you'll feel as if you have the entire destination to yourself. Spend your mornings touring Newport's iconic mansions and popping in and out boutiques like The Salty Babe, Rochelle's, and Harper & Tucker before sitting down for brunch at local staples like the Instagrammable [Pasta Beach](#) (order the bucatini cacio e pepe and thank me later) or the homey [Hungry Monkey](#) cafe. Afterward, enjoy an oceanfront stroll along the famed Cliff Walk before checking out the gourmet hot chocolate bar at [The Chanler at Cliff Walk](#). If it's too chilly for a walk, cruise down the scenic 10-mile-long [Ocean Drive](#) or take a glassblowing lesson at [Thames Glass](#).
