

Very Demure, Very Mindful, Very Cutesy Travel Destinations

It's not just a TikTok trend—it's an aesthetic—Travel DMC, if you will. These destinations and hotels in North America underline this calming, pleasant aesthetic in contrast to the bold, flashy destinations that sometimes get a bit more attention. Escape to any of these for days spent thoughtfully holding cups of warm beverage, taking cute selfies, or quietly enjoying quality quiet time in a serene hideaway.

Newport, Rhode Island

Fans of [The Gilded Age](#) can head to Newport to live their best Team Mrs. Fish lifestyle. The summer vacation spot for the real-life new-and-old money of the era, visitors can check out some still-standing [mansions](#) or take in the seaside with a [sunset sail](#) (corset optional). Want to mix in a bit of cottagecore? Summer and autumn visitors will find plenty of [orchards and self-pick farms](#) to roll with that vibe. If relaxing in an oceanfront lounge is more your speed, check into [The Chanler at Cliff Walk](#).
