Looking for somewhere special to celebrate Valentine's Day or an anniversary? Then you've come to the right place! As traveling remains touch and go due to the ongoing COVID-19 pandemic, you may be forgoing an overseas destination in favor of something closer to home. So we put together a list of the romantic hotels in the U.S. that are sure to provide a memorable getaway for you and your favorite person. Whether you're in the mood for a mountaintop bed-and-breakfast vibe or are partial to the cozy comforts of luxury, there's bound to be at least one destination on your list that appeals to you.

Because we've scoured the entire country to find these romantic Valentine's Day hotels, we're hopeful you'll find a great spot within driving distance that can easily be turned into a [weekend road trip](#). Plenty of the historic hotels we've included here aren't just romantic; they also happen to be situated along the [most scenic drives in America](#). It'll be a win-win!

If location is less of a concern, there are of course other ways to whittle down the options of where to stay. Weather can be a major factor, as can access to snow-covered trails or sand-covered beaches. If all else fails, though, we recommended selecting a destination near one of our [favorite small towns](#). That way, there will be no shortage of things to eat, drink, and do when you're not snuggling up together in your room.
