## THE CHANLER AT CLIFF WALK Newport, USA

Pulling up to the Chanler at Cliff Walk, you are greeted by a welcoming Victorian era building with vibrant flowerbeds and colors that accentuate the manor. This Newport home is located on one of Rhode Island's premier oceanfront property in the famed sailing town. The interior of the building is similarly decorated in an eighteenth century inspired way with elegant beds and lush, flowing

drapes throughout the rooms. The hotel allows one to be enchanted by its charming atmosphere and waterfront views, putting the perfect finishing touches. The Chanler at Cliff Walk provides its guests with the Newport experience, allowing for them to put their sail caps on for their stay at the quaint ocean home.
