Ca' del Bosco

The Chanler and Ca' del Bosco are proud to announce our exclusive worldwide partnership. Ca' del Bosco brings a family of internationally renowned luxury sparkling wines from, literally, a “house in the woods” (Ca' del Bosc), to Newport — the “city by the sea.” These are the very finest artisanal wines from Franciacorta, just east of Milan, that intertwines years of tradition with creative modern innovation.

Ca' del Bosco has patented their own unique “berry spa.” Only the best quality-inspected grapes are chosen to be soaked multiple times, washed, and passed through a special drying tunnel. Ultimately reducing the need for additional sulfites and creating a more appealing, clean, purer, and longer lived wine — a profile closer to “wine with bubbles” rather than sparkling wine.
