# tailored events in an elegantly modern setting

### OCEANSIDE ELEGANCE

Come to a storied destination where the Atlantic surf meets the Rhode Island shore, where the crashing waves reverberate with unforgettable stories of Newport's Gilded Age. The Chanler, the only hotel located on Newport's famed Cliff Walk, is framed by ocean views and surrounded by manicured gardens—a seaside sanctuary where elegance and serenity go hand in hand.

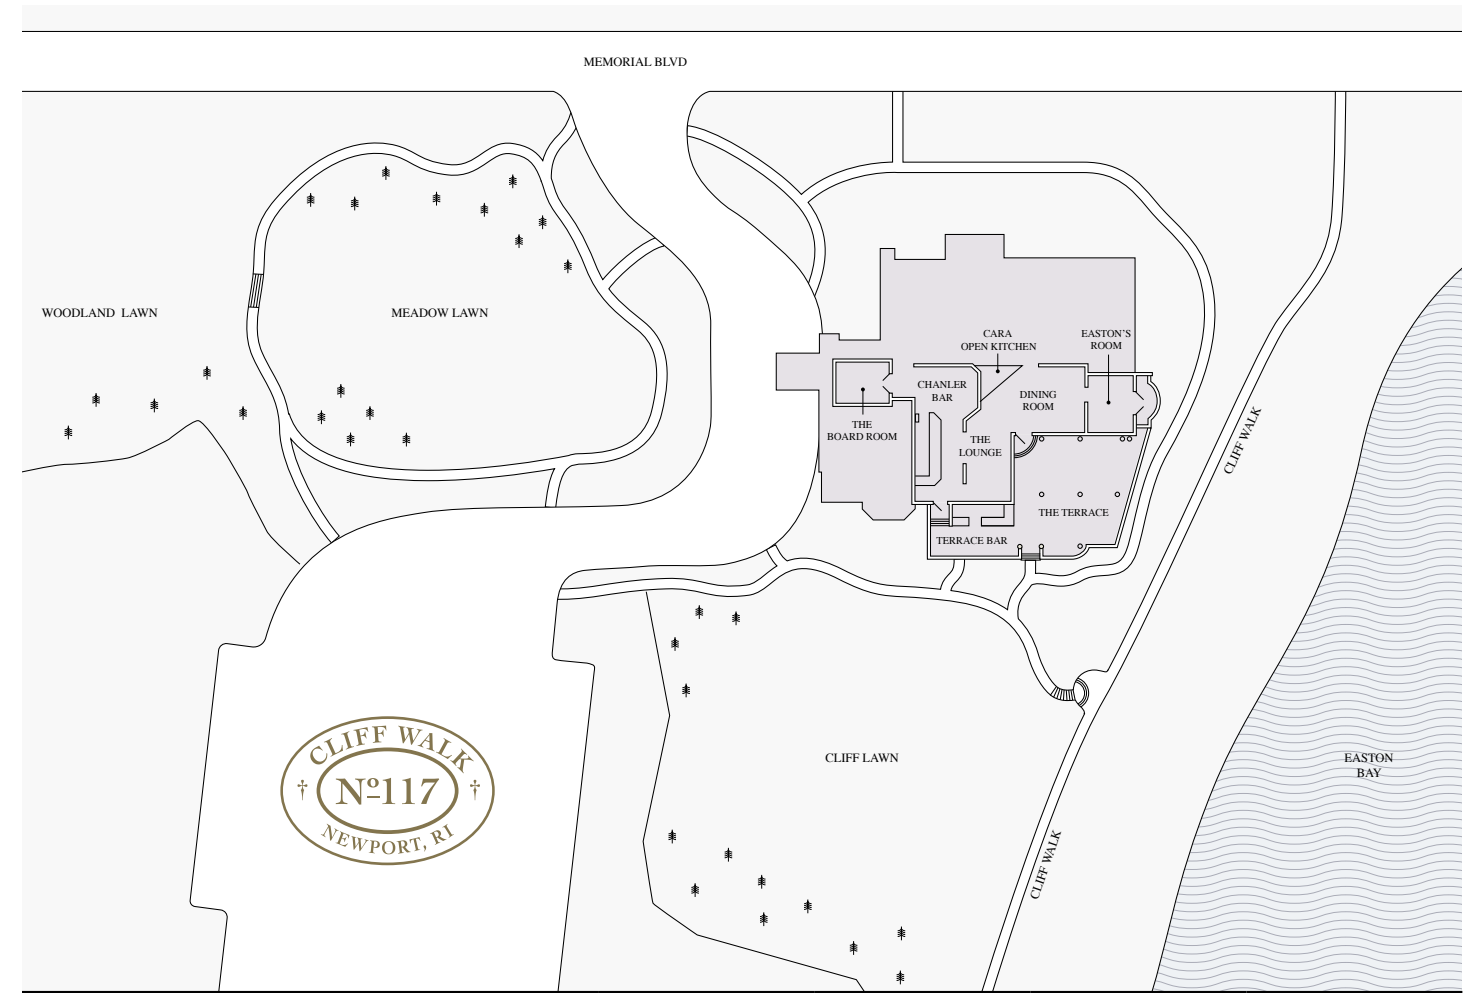

### CULINARY CRAFTSMANSHIP

Bring your event to vivid life with curated menus from our expert culinary team. Rooted in local flavors and ingredients, including from our oceanfront vegetable garden, our European-influenced offerings reflect the seasonal bounty of New England.

### WHERE WORK AND RELAXATION CONVERGE

Bring out your best amid the elegant surroundings of The Chanler, where polished service and relaxed refinement invite you and your guests to indulge in a range of exclusive experiences. Let our destination experts present the best of Newport for your group: savor Cara's gastronomic wine and food pairings in our waterfront dining room overlooking pristine Easton's Beach, learn the secret of a perfect cocktail at a mixology class, sail Narragansett Bay on a private sailing vessel, and much more.
